

STEP HITCH

The **STEP HITCH**, CIPA's latest addition to the popular **HITCH BUD** line, provides better access to your pickup or SUV - with a reflective surface for increased safety and visibility!

Featuring a non-slip step surface and bright red reflector, the **STEP HITCH** makes it easy for you to accomplish your tasks safely. Each **STEP HITCH** is made with durable die cast aluminum, so you can be sure this product is as durable as it is convenient.

The **STEP HITCH** is easy to use - simply install the **STEP HITCH** on any 2" receiver tube, and enjoy the benefits of having a step right where you need it!
